

# WIDR WEDNESDAY

5.19.21

## Message from Molly:

Happy WIDR Wednesday!! I hope everyone is staying healthy and getting vaccinated! May is Mental Health Awareness Month, and I hope you all are taking some time for yourself and figuring out what you need to feel good. We also have imaging on air about resources and info from WMU's Mental Health Outreach Assistant Director. I'll be going into the studio with our advisor this week to see what we can do with the space to get back in person when we can, so I will be keeping y'all updated on that and when we hear more from the university! If you haven't yet, definitely join our Discord to hang out and ask us questions if you have any! LOVE U <33
