PROGRAM

Hello WIDR friends! I have some sweet updates for this week. On Halloween, we will have a 24 hour jam session featuring all programming that aired throughout the week re-airing and/or airing on October 31st. This will be a sweet event so make sure to keep your dial locked if you don't wanna miss out on that! Additionally, we have had some shows come back on air (shoutout to DJ Shadowplay and DJ WILLKILL)!! Also, if you want to find out what happened to DJ Halloween then you should tune in to Thoughts in Exercise on Friday at 7 PM. Other than that, I hope you all are staying safe, keeping up on your classes, and taking care of yourself during election season. Get out and vote! Peace.

PROMOTION

WHAT'S UP Y'ALL! Happy Halloween! This is a super fun week at WIDR. We have some great shows coming up on Friday and Saturday so don't forget to tune in at 89.1 or WIDRFM.net :) Also, don't forget to go vote next week if you haven't already. Right now, I am focused on content for the upcoming extra-long holiday break. I'm hoping to plan it in advance so I can enjoy my holidays off while still keeping the WIDR content coming. If anyone has any cool ideas for the blog or social media, send them my way! Have a happy and safe Halloween!

Okay fine, YOU GOT ME. I'm a Loona stan. And they just came out with a sick new album. I did not like their last one but this new one is really incredible. I strongly recommend Loona for "K-pop for people that don't listen to K-pop". There's even an English version on the album for those of us who think "lyrics" (kill me pls) are an important part of the listening experience. I'll have other new adds going up on the rotation soon, but considering I dyed my hair according to Go Won's teaser, I feel obligated to write about it.

**I almost always have discord open and can be contacted in the "music-corner" chat or the adjacent voice/video channel*
